Re: Lewis Fire Department Building  
Energy Code  
MSA PN: R09652007.0

Dear IFA Representative:

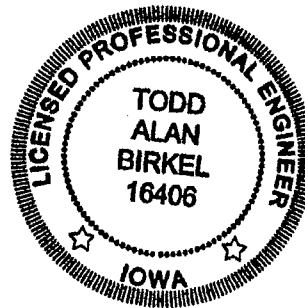

We are currently designing the new Fire Department Building for the City of Lewis. The new building will comply with the current state building energy code (2009 International Energy Conservation Code), and Energy Star standards.

Sincerely,

MSA Professional Services, Inc.

Todd Birkel, P.E.  
Senior Structural Engineer
